

NEW RESOURCE FOR REGIONAL INTERSCHOOL ORGANISERS

NZCF has developed a generic entry form to make it easier for new regional organisers and any others who wish to use it.

Just download the word document and fill in the gaps highlighted in red with the correct information for your particular region.

Save it as a pdf with the name of your region e.g. Waikato Secondary Interschool Chess Championship.

Then email it to NZCF Interschool National Co-ordinator Bob Smith at caissa1530@gmail.com .

Bob will then liaise with Webmaster Bill Forster to get the finalised regional entry form added to the Interschools calendar.

And, hey presto, you have a standardised entry form you can send to schools in your area!
