

Wellington Primary NZCF Interschool Regional Qualifier

20th June 2018

Johnsonville School, Morgan St Johnsonville

Organised by Scott Wastney

This is a qualifying event for the 2018 NZCF National Interschool Championship, to be held in Mount Maunganui, September 29th-30th. The winner will represent Wellington in the Primary Division.

Format: A 6-round swiss-system event for teams of four players (with optional reserve) from years 1-6 from the same school. Players should be ranked in order of playing strength; the order must be declared before the start of the event and must not change during the event. Schools may enter more than one team. Note that teams may be paired against another team from the same school.

Schedule: Teams need to sign in before 9:00am on the day of the tournament. A players' meeting will follow, and we should start at about 9:15am. There will be a break for lunch and we aim to finish by 2:30pm. Digital chess clocks will be used where available; time control 15 minutes plus an increment of 5 seconds per move. (Note: there may not be enough clocks for all games to be played with clocks)

Adult Support: Visiting school teams must have an adult (teacher, parent, or guardian) present to supervise them.

Entries: The entry fee of \$35 per team should accompany the entry form.

Prizes: Players in the top three teams will receive gold, silver or bronze medals.

Qualifiers: The top placed team qualifies for the 2018 National Interschool competition. If 20 or more teams compete, a second school will qualify; if 30 or more teams compete, a third school will qualify. Qualifiers will be determined by tiebreak if necessary. N.B. No school can win more than one qualifying place.

The complete format and rules for the NZCF Interschool competition can be found at
