Karpov - beating the best

IN HOLLAND World Champion Anatoly Karpov has won the Tilburg Interpolis Tournament against a prodigiously strong field. Each of the 12 contestants was a Grandmaster and the average Elo (International rating) was 2582.

Karpov conceded 6 draws and no losses to finish a clear point ahead of his nearest challenger, Tony Miles of England, who has of late made a quite remarkable jump in playing strength.

In their individual game Miles had a score to settle with the Russian. The last time they met, in Las Palmas, Karpov had opened 1.c4 b6 2.d4 Bb7 3.d5! and had wiped Miles off the board. Unfortunately, however, Karpov crushed him again here in a little more even, but nevertheless rather brief, skirmish.

ENGLISH OPENING
A. KARPOV
(USSB)
A. J. MILES
(ENGLAND)

1. c4
Karpov seems to like playing the English opening against the English! Miles replies with a more orthodox move than last time's 1... b6.

1. . . . c5
2. Nf3 Nf6
3. Nc3 Nc6
Against Smyslov, also at
Tilburg, Miles played

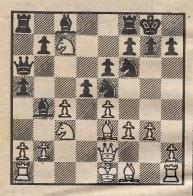

Karpov, in rejecting the forceful pawn-push 10.f4, calculated Black's saving grace to be the line 10 . . . a4! e.g. 11.f×e5 a×b3 12.e×f6 R×a2! with the threat of 13 . . . B×c3 ch. The main line ends in perpetual check after 11.Nd2 Neg4 12.e5 Ne3 13.e×f6 Nc2 ch 14.Kdl Ne3 chetc. White can try 13.Qd3 to stop the knight check in this line but Black can secure the initiative with 13 . . . Nfg4 14.Nde4 d5!

9. Qe2

13.b×c3 Qa4 14.f4 Neg4
15:e5 N×e3 White can obtain an advantage by capturing with his queen, 16.Q×e3 Ne8.
17.Nb5 or he can set a trap by 16.e×f6 N×fl? (16 . . . Nf5)
17.Qg4! g6 18.Qg5 with an unavoidable mate, viz 18 . . . Kh8 19.Qh6 Rg8 20.Nf3! to be followed by 21.Ng5.
13. Ndb5 d5

Hello, hello, what's this, a rook?
14. Nc7

We're in!

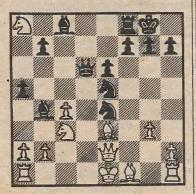

14. . . . Qd6

After 14 . . . Qc6 15.N×a8
Karpov in "64" gives the line
15 . . N×c4 16.Bd4 (planning 17.e5) e5 17.e×d5 N×d5!
18.Q×c4 e×d4 19.Q×c6 (Or
19.0-0-0 Qh6! ch 20.f4 Ne3!
21.Q×d4 N×d1 White has no
good way to recapture.) b×c6
20.a3 d×c3 21.a×b4 c×b2
22.Rb1 a×b4 23.R×b2 Bf5
24.Nb6 (not 24.Bc4 R×a8
25.B×d5 Ral ch!) N×b6
25.R×b4 with a material
advantage to White in the
endgame.

15. NXa8 dXe4

15 . . . d4 meets 16.0-0-0 when neither 16 . . . d3 17.R×d3 or 16 . . . B×c3 17.b×c3 Qa3 ch 18.Qb2 Q×b2 ch 19.K×b2 d×e3 20.Be2 will save Miles.

16. fxe4 Nxe4

17. Rdl!

Putting Black in desperate straits. White is fast catching up in development and Miles's envisaged compensation begins to evaporate, beginning with 17 . . . N×c3 18.b×c3 B×c3 ch 19.Kf2 and Black has nothing for the rook minus.

17. . . . Qc6 18. Bg2 N×c4 19. Bd4 B×c3 ch 20. b×c3 f5 21. 0-0 Ncd6

Seeing that trying to regain a piece by the immediate 21 ... b5 goes under to 22.8×e4 f×e4 23.8×f8 ch

K×f8 24.Qf2 ch etc, Miles must know he's dead but he kicks for a few more moves.

22. Nb6 e5
23. N×c8 R×c8
24. B×e5 Qc5 ch
25. Bd4 Resigns
Results: 1st Interpolis — A.
Karpov (USSR) 8; A. Miles
(Eng) 7; V. Hort 6 (CZ); R.
Hubner (BRD) 6; L. Kavelek
(USA) 6; J. Timman (NL) 6;
S. Gligoric (Y) 5½; V.
Andersson (S) 5; Y. Balashov
(USSR) 5; V. Smyslov
(USSR) 4½; G. Sosonko
(NL) 4; F. Olafsson (IS) 3.

Both Hort and Kavelek finished with 10 draws, 1 win, no losses!

MURRAY CHANDLER

ALGEBRAIC NOTATION

The algebraic notation in this chess column is that used almost exclusively in Europe and in many other countries elsewhere. Each square has one designation only. The vertical files are labelled a to h from White's left. In horizontal rank the squares are labelled 1 to 8 from White's end. Normal symbols are used, except that pawns as such are not mentioned; just the arrival square is given for a non-capturing pawn move.

How they finished at the Philips Asian Chess Team Championship at Auckland, November 1977

COUNTRY	1	2	3	4	5	6	7	8	9	10	TOTAL
